

Reclamation Program 5 Steps

An invitation to participate in our re[TURN]
Reclamation Program with these 5 easy steps.

Identify

DISCOVER what is on the floor today that we are replacing.

Provide your Shaw sales rep a **PHOTO** (or access to the space) to identify existing flooring.

CONFIRM you want to recycle the existing product — especially if it's EcoWorx, ReWorx or Shaw-made resilient!

Specify

INSERT the Reclamation Spec document* into the finish schedule — this gets reclamation included in the bid process.

PROVIDE the information needed to register the project (project type, contact, address, yardage) to your Shaw sales rep.

*Contact Shaw Contract Inforum for current reclamation spec.

Introduce

SETUP an introduction for your Shaw sales rep to the GC — these interactions with the GC are your opportunity to make the project happen!

re[TURN] Reclamation Team will:

CONTACT the customer/GC and send them the [Program Guidelines](#) & [Staging Guidelines](#).

ENGAGE the customer/GC for more information required to generate the project proposal.

Execute

SUBMITTAL — ensure the customer/GC **SIGNS & RETURNS** the project proposal.

re[TURN] Reclamation Team will then work directly with the customer/GC to **SCHEDULE & ARRANGE** pick up.

Report

PROJECT CERTIFICATE will be sent to you upon completion.
